Description:

The Seasons Christmas Shows is back, and more festive than ever! With over 200 unique vendors to shop from, guests will leave armed with the latest in Christmas Décor, entertaining tips and tricks and great gifts for everyone on their list. This year's experts include the fabulous Lynn Spence of CityLine fame. Spence will be on the Toronto Star Main Stage on Friday and Saturday and will be leading audience members in how-to seasonal demonstrations. Also from CityTV, Frank Ferragine will be getting up close and personal with participants at his hands-on workshop. Guests also won't want to miss Jane Lockhart, host of Colour Confidential; Kary Osmond of CBC's 'Best Recipes Ever' and Annabelle Waugh, Canadian Living's Food Director. Features will include a 'Whimsical Christmas' display guaranteed to inspire show goers to create their own winter wonderland. Canadian Living Test Kitchen experts will be on hand introducing audiences to new appetizer dishes and teaching them how to make up some tasty holiday treats. After becoming educated in the kitchen, visitors can then make their way to the cheese tasting seminars sponsored by The Dairy Farmers of Canada, where they will learn how to serve the right cheeses, how to pair the best wines and have an opportunity to nibble on some of Canada's finest cheese. The Seasons Christmas Show works closely with The Peel Children's Aid Foundation (PCAF) and will be raising money through a silent auction and the Second Annual Holiday Wishes Christmas Party. So call the girls and mark your calendar, you will not want to miss this year's show!
